Chapter 1 : Frank Lloyd Wright Architect Landscape Part

Frank Lloyd Wright (born June 8, 1867 – April 9, 1959) was an American architect, interior designer, writer, and educator, who designed more than 1,000 structures, 532 of which were completed. Wright believed in designing structures that were in harmony with humanity and its environment, a philosophy he called organic architecture. This philosophy was best exemplified by Fallingwater (1935). Connect with us. Like us, you are passionate about Frank Lloyd Wright's life and legacy.
