Chapter 1 : Lucky Photographers Voigtlander 1950 Circa Germany

For photographers around the world, the search for the best camera bag seems like a never-ending conquest. if there's one thing for sure when building up your photography gear, it's that you'll never settle on just one bag. My final word how these ratings work: the vivitar 35es is the little known cousin to the much more popular minolta hi-matic 7sii. it was an example of late 70s brand engineering and has all of the great attributes of those other cameras, but without the notoriety. My photographic beginnings. the first camera that i owned was a kodak brownie 127 that was a present given to me by my brother jim when i was about ten years old.
