Think of your scrapbook as your novel. the scope can be small or large, focused or loose, a chronological narrative or a visual montage. at the most basic level, a scrapbook is a place to collect anything you don't want to lose, from musings on a particular experience to recipes and postcards. Pause, and recall: a family trip to the beach, a dinner party with friends, a special holiday or anniversary. with the curated remnants, you can turn your favorite memories of vacations, parties, or a baby's first years into a cherished keepsake.
