

Tom Swift Television Detector Appleton Victor

Chapter 1 : Tom Swift Television Detector Appleton Victor

Three generations of tom swift by francis molson for almost a century, the stratemeyer syndicate has anticipated, satisfied, and at times molded the reading tastes of tom swift and his television detector (1933), which are permeated with the sights and sounds of electricity: "strange to compare, for example, another stratemeyer production, tom swift and his television detector, a work in a series largely about exploiting technology for the ends of justice. where the boys' series educates, the girls' series evades. works cited barthes, roland. s/z. trans. richard muler. new york: holt and wang, 1974. bulman, carol.
